UNION OFFERS HARD CONTEST

Garnet Eleven Uses Formidable Forward Pass—Made 195 Yards on Passes in Hobart Game.

GOFF IS STAR

The annual football game with Union this year promises to be one of the hardest fought games in the history of Hamilton-Union contests. The Garnet and the Buff and Blue are very evenly matched so far as can be determined from the result of games played.

The Union-N. Y. U. game a week ago and the Union-Hobart game last Saturday show very plainly that Union has made a formidable weapon of attack out of the forward pass. Goff at quarter has a pass that is both accurate and far-reaching. In both the games just mentioned the forward pass was used to advance the ball down the field to within striking distance of the goal, where is was shoved over by line plunging. In the Hobart game Union made 195 yards on passes while Hobart failed to make any ground by this method.

The Garnet seems to have developed a strong defense against open plays. Several plays of this type were used by Hobart, but none of them worked at Schenectady.

The Union line does not seem to be exceptionally strong on the defense, for N. Y. U. was able to make large gains by straight plunging. Lack of punch at the critical moment was all that kept the New Yorkers from scoring heavily on this method of play.

It is an admitted fact that when teams from Hamilton and Union meet, both usually put up a better fight than at any other time during the season. In last year's game, Union managed to produce far better football playing than the "fans" had expected.

At present it looks as if the Buff and Blue team which will take the field Saturday will be stronger than it has been at any time during the year. A large number of second-string men have been hammered into capable players, and during the temporary absence of some of the first-string men from the line-up, these others have shown that they have real playing ability.

Most of the regulars who have been out of the game for the last few days will be back in the game at Schenectady. By the end of the week, it is expected that the team will be in first class shape. With the regulars ready for the fight, and a reliable bunch of substitutes to back them up, the game ought to be one of the best in years.

Union's probable line-up follows: E. Meyers, le; Murray, lt; Gregory (Capt.) lg; Willits, c; Degan, rg; Beekman, rt; R. Meyer, re; Goff, qb; Wemple,lhb; Brucker,rhb; Mosher,fb.

ROCHESTER HARRIERS DEFEAT HAMILTON

Cross Country Meet Run Over Local Course Results in Close Victory for Yellow and Black, 24-31.

Rochester came out victorious in the cross country run over the local course Saturday, scoring thirty-one points to Hamilton's twenty-four. The race was run under trying conditions over snow-covered ground. The men had to fight against a biting northwest wind most of the way Thompson led the field during almost the entire race and crossed the line first by about fifty yards. Milliman and Gale of Rochester were second and third. Doane was fourth and would undoubtedly have been one of the leaders but for a troublesome knee which slowed him up. Van Hoesen was well in front at the middle of the race, but pulled a tendon and was forced to drop out. Milliman of Rochester ran a pretty race and was at no time far from Thompson.

The men finished in the following order: Thompson (H), Milliman (R), Gale (R), Doane (H), Esley (R), Carman (R), Williams (H), Doughty (R), Fenn (H), Loveland (H).

FACULTY PERMITS FOOTBALL PRACTICE TO BEGIN AT 3:30

Classes of Saturday Morning, November 20, to be Terminated at 10:30.

The faculty voted at a special meeting on Monday, November 8, that all members of the football squad may be free from classroom requirements for practice during the 3:30-4:30 hour on Tuesday, Wednesday, and Thursday of this week. It is understood that all the absences thus incurred by members of the football squad shall be made up at such time and place as may be appointed by the instructor concerned. So far as may be possible, the instructors will probably ask that these men transfer to other divisions in the same course, provided that the schedule of the undergraduate permits. Where this is impracticable, a special hour and place will be appointed.

The faculty voted at the same time that the exercises of Saturday morning, November 20, shall terminated at ten-thirty a. m., making the entire College free from that hour, to permit those who so desire to attend the Hamilton-Union game.

ROCHESTER ELEVEN DEFEATS BUFF AND BLUE TEAM, 7-0

Excellent Forward Passing and Line Plunge Give Yellow and Black Single Touchdown—Game Played Under Adverse Weather Conditions—Both Captains Star.

On a field of snow and mud, Hamilton was defeated by Rochester in a stubbornly fought game, played on the local gridiron Saturday afternoon. The score was seven to nothing. The teams were very evenly matched. Several times they were locked together in the the center of the field and both sides were unable to gain. The Buff and Blue backs gained slightly more ground than did "Bunny" Harris's warriors, but the Yellow and Black retaliated by end runs.

A brilliant series of forward passes in the third quarter brought defeat for Hamilton. For about one minute, the Buff and Blue defense crumpled, and two passes netting thirty-five and eighteen yards respectively were made. A line plunge then gave Rochester the only touchdown of the game. At no other time were the visitors close to the Buff and Blue goal, save when a fumble near Hamilton's goal, the result of a poor pass, momentarily endangered the Buff and Blue.

Large Number of Spectators

The cold wind from the west did not prevent a large crowd of shivering spectators from gathering in the stands. Rochester sent down a fair-sized delegation of rooters that made up for its lack in numbers by the volume of its cheering. There was also a delegation from Colgate present.

The rival captains were the individual stars of the game. "Artie" Campbell repeatedly brought forth enthusiastic cheers by his brilliant open-field running and by his indomitable pluck with which he got back into the game after being repeatedly injured. Harris, the Rochester captain, starred for the Yellow and Black. At all times he was a menace to the Hamilton defense by reason of his spectacular end runs.

First Quarter

Hamilton won the toss and chose to defend the west goal. Rochester kicked to Campbell, and "Artie" ran the ball back twenty yards with good interference before he was downed. Lawler punted the ball on the first play to the Rochester two-yard line. Rochester, by a series of end runs, advanced the ball slowly to the center of the field and punted. Hamilton got the ball on her twenty-five yard line and, after several minor gains, was penalized fifteen yards. Seaver punted to Rochester's twenty-yard line and the Buff and Blue ends downed the Rochester runner in his tracks. The Yellow and Black encountered a stone wall defense and punted to Seaver, who ran the ball back thirty-five yards. Hamilton was held for downs. Hummil was injured and Uebel substituted for him. The ball was in Rochester's possession on her own forty-yard line when the quarter ended.

Second Quarter

On the first play of the second quarter Bolenius was injured and Eckler went in at center. Rochester was forced to punt. Seaver caught the ball on the Hamilton twenty-yard line and, with spectacular interference by Campbell, carried the ball back to the center of the field. Five line plunges, a pass by Warren to Campbell, and a penalty, placed the Buff and Blue on the Rochester twenty-yard line. Rochester got the ball on a fumble and by the aid of a pass and several runs by Harris penetrated to the Hamilton forty-yard line. From this position Rochester tried a drop kick which failed. The ball rolled over the goal line and was brought out to the twenty-yard line. Warren made a thirty-two yard run. Rochester held and Seaver punted. Rochester attempted to punt out of danger, only to find the ball rapidly approaching their goal again. The whistle spoiled Hamilton's chance to score.

Third Quarter

Hamilton kicked off at the beginning of the second half. Neither team was able to gain through the line, and it was then that Rochester began the series of passes that ultimately spelled defeat for Hamilton. The touchdown came at about the middle of the period and was the result of two long passes, the first of which originated near the center of the field. After the touchdown, Rochester picked the goal. Rochester then kicked off, and the ball remained in Hamilton's possession until the end of the quarter, when Rochester received a punt.

Fourth Quarter

The fourth quarter was marked by several near-scores by Hamilton. The first of these came when Hamilton recovered a punt on the Yellow and Black's thirty-yard line. Clark was put in for Kaiser. The Buff and Blue reached Rochester's fifteen-yard line only to be thrown back for a loss. The ball went to the Rochester team, which kicked out of danger. On the next play, Rochester intercepted a pass. Hamilton was penalized. Clark intercepted a Rochester pass, and the Buff and Blue, playing desperately

With the Colleges

—The Student Board of Columbia has decided that all Freshmen serving their Alma Mater in the field of extra-curricula activities shall be awarded "Activity Buttons." These buttons are expected to provide an incentive for Freshmen to enter into the activities of the campus.

—The revival of "Morningsides," a literary publication which has not been issued since 1905, marks a new phase in Columbia literary circles. Its chief object is to publish stories, verses, sonnets, and other material. The initial sale of copies was a great success and a successful future seems assured the publication. Eight issues will appear this year.

—Columbia fraternities have organized themselves into a Sport League. Twenty-nine of the Greek letter organizations have already entered their teams in a championship basketball schedule. These teams have been divided into six minor leagues. The champions of these will contend for the final honors.

—Agitation is under way in four eastern colleges, namely Cornell, Dartmouth, Columbia, and Pennsylvania to form a "Big Four" eventually destined to rival the Yale, Harvard, and Princeton "Big Three" in the intercollegiate world. The move is now being openly advocated at Columbia, and it is reported that the other three institutions favor such a combination.

The union is advocated with the belief that it will engender a spirit of friendly rivalry and unity of purpose. It will not involve the reconstruction of present schedules, which members of the proposed union now have with other colleges.

It is said that many lines of such a union have already been drawn and that the consummation of the project would not be a very hard task nor would it necessitate radical readjustments. The union would result in the "fostering of a valuable feeling of friendship and mutuality between four of the largest and best collegiate institutions in the world," according to "The Pennsylvanian".

HOW TO STUDY EFFECTIVELY

Rutgers Students Advised to Heed 37 Rules in Preparing Daily Lessons.

A recent issue of the Rutgers "Targum" contained a supplement printed in large type which contained 37 rules on "How to Study Effectively." The article was called to the attention of all students, especially Freshmen, with the advice that they read it carefully.

The rules were taken from "Educational Psychology" by Dr. Daniel Starch, who quoted them from G. M. Whipple's "How to Study Effectively."

The rules follow:

1. Keep yourself in a good physical condition.
2. Attend to, remove or treat physical defects that often handicap mental activity, such as defective hearing, defective teeth, adenoids, obstructed nasal breathing.
3. See that external conditions of work (light, temperature, humidity, clothing, chair, desk, etc.) are favorable to study.
4. Form a place-studying habit.
5. Form a time study habit.
6. When possible, prepare the advance assignment in a given subject directly after the day's recitation in it.
7. Begin work promptly.
8. Take on the attitude of attention.
9. Work intensely when you work. Concentrate.
10. But don't let intense application become fluster or worry.
11. Do your work with the intent to learn and to remember.
12. Seek a motive or, better, several motives.
13. Get rid of the idea that you are working for the teacher.
14. Don't apply for help until you have to.
15. Have a clear notion of the aim.
16. Before beginning the advance work, review rapidly the previous lesson.
17. Make a rapid preliminary survey of the assigned material.
18. Find out by trial whether you succeed better by beginning with the hardest or with the easiest task when you are confronted with several tasks of unequal difficulty.
19. In general, use in your studying the form of activity that will later be demanded when the material is used.
20. Give most time and attention to the weak points in your knowledge or technique.
21. Carry the learning of all important items beyond the point necessary for immediate recall.
22. You must daily pass judgement as to the degree of importance of items that are brought before you, and lay special stress on the permanent fixing of those items that are vital and fundamental.
23. When a given bit of information is clearly of subordinate importance and useful only for the time being, you are warranted in giving to it only sufficient attention to hold it over the time in question.
24. Make the duration of your periods of study long enough to utilize "warming-up" but not so long as to suffer weariness or fatigue.
25. When drill or repetition is necessary, distribute over more than one period the time given to a specified learning.
26. When you interrupt work, not only stop at a natural break, but also leave a cue for its quick resumption.
27. After intensive application, especially to new material, pause for a time and let your mind be fallow before taking up anything else.
28. Use various devices to compel yourself to think over your work.
29. Form a habit of working out your own concrete examples of all general rules and principles.
30. Form the habit of mentally reviewing every paragraph as soon as you have read it.
31. Don't hesitate to mark up your own books to make the essential ideas stand out visibly.
32. Whenever you desire it, to master material that is extensive and complex, make an outline of it. If you also wish to retain this material commit your outline to memory.
33. Do not hesitate to commit to memory verbatim such material as definitions of technical terms, formulas, dates and outlines, always provided, of course, that you also understand them.
34. When the material to be learned by heart presents no obvious rational associations, it is perfectly legitimate to invent some artificial scheme for learning and recalling it.
35. In committing to memory a poem, declamation or oration, do not break it up into parts, but learn it as a whole.
36. In committing to memory, it is better to read aloud than to read silently and better to read rapidly than slowly.
37. If your work includes attendance at lectures, take a moderate amount of notes during the lecture, using a system of abbreviations, and rewrite these notes daily, amplified into a reasonably compendious outline, organized as suggested in Rule 32.

The Armistice Anniversary

It is not fitting that the second anniversary of the Great Armistice should pass by without mention of the debt owed by the men of Hamilton College to the Hamilton men who died in the Great War.

Little can be said which will add anything to the glory of their sacrifice. **Life** contains this week a picture of the bronze tablet in memory of these men, which was dedicated last June in the College Chapel.

These fourteen men stood ready to fight to the death for their ideals of freedom and democracy. They gave their supreme treasure—life—to further those ideals, and they died without regret. All honor to their memory!

Beat Union!

The Buff and Blue eleven meets Union at Schenectady Saturday. The two teams appear to be rather evenly matched, but if the Hamilton eleven can play the football that it should play, the game will end in the defeat of Union.

The contest will be by no means easy, for the Garnet will fight upon its home gridiron, where Hamilton's teams have always encountered sturdy opposition. The Buff and Blue men crippled in the earlier games of the season have practically recovered from their injuries, however, and Hamilton will go to Schenectady with a full complement of players.

This season has been a hard one for the Buff and Blue team, but it has fought heavy and powerful teams up to the last minute of play, and it has fought well. The eleven deserves credit for the way in which its inexperienced members withstood Amherst and Williams. It played splendid football against N. Y. U., R. P. I., and Alfred, and if the team can fight in the Union game as it fought then, it has a good chance of victory.

Let every undergraduate remember that the majority of the Hamilton-Union football games which did not result in tie scores have been victories for the Buff and Blue. The team can win Saturday, and the College intends that it shall. The eyes of all the Hamilton alumni will be on Saturday's game. We are going to Schenectady Saturday with a fighting team and a cheering college and we're going to BEAT UNION!

Spice o' Life

On Ye Bell Ringer

Have you ever sat in a class room
When you din't know anything about the subject,
And you thought that you were due to be called on next,
And it was almost time for the bell, and you hoped
That you would escape.
And the time for the bell came
And passed,
And the bell failed to ring, and
You were called on?
Have you ever started from Languages and thought that
You had five minutes to reach Philosophy?
So you stopped and talked to someone,
And stopped again to borrow a cigarette,
And you thought that you had three minutes left,
When taps began to ring.
And you had to run and run and run
And your cigarette was spoiled, and you just
Got to class,
Whisper—
What did you think of that bell ringer?

—Rev. John H. Gardner, '16, who is preaching in Portland, Ore., may be addressed at 410 E. 19th St., N., Portland. He expects to return to the McCormick Theological Seminary in Chicago next January.

—Gordon J. Barnett, '20, is now connected with the International Banking Corporation, New York City, and after six months training expects to be sent to South America, as foreign representative.

—Charles K. Hudson, '15, is now assistant manager and treasurer of the North Bend Mill and Lumber Co., North Bend, Oregon. His address is the Myrtle Arms Apartment, Marshfield, Oregon.

—Charles H. Sedgwick, '68, is now at 406 University Ave., Syracuse, N. Y.

—John M. Curran, '93, has moved from Chicago, Ill., to Santa Barbara, California.

—Pennock Hart Orr, '17, is now with the McClintic Marshall Construction Co., Pittsburgh. Thomas Lazear Orr, '17, is in the Bond Department of the Mellon National Bank, Pittsburgh. Both reside at 370 S. Highland Ave., Pittsburgh.

—Frederick P. Lee, '15, who is at present employed as a Congressional Drafting Clerk in Washington, D. C., was on the Hill last week, and gave an interesting talk to the Political Science classes about his work in drafting Congressional bills.

—Carl L. Carmer, '14, instructor of public speaking at the University of Rochester, is directing the production of three plays which are to be given there shortly.

—Clinton Scollard, '81, of 438 West One Hundred and Sixteenth street, New York City, has been awarded the prize in the Fourth Red Cross Roll Call contest for the best blank verse submitted for the tableau-pantomime production, "The Spirit of Service," to be given on November 17 at the Lexington Theatre, in Manhattan, in connection with the month's Roll Call appeal for 400,000 Red Cross workers. This is to be a musical scenic presentation of the history of the Red Cross from the early days of volunteer service to the present time.

—John T. Riddell, ex-'15, is now with the Individual Underwriters Corporation in San Francisco, Calif., and may be addressed at the Mills Building.

—Dr. William Miller Collier, '89, president of Georgetown University, is said to be slated for a post in the diplomatic service under President-elect Harding. He was formerly minister to Spain. This position has been raised to an embassy. His appointment is said to be urged by Senators Wadsworth and Calder, by the Republican state organization, and by local supporters in Auburn, where Dr. Collier formerly resided.

—William A. Hubbard, '71, of Rochester holds the distinguished honor of having taught one Sunday School class for forty-seven consecutive years. Members of his class, No. 42 of the Central Presbyterian Church, Rochester, celebrated his seventieth birthday at his home, No. 13 Phelps avenue, recently. The class, which was organized in 1869, has a pesent membership of 239 members. It has fifty-nine members who have been with it for twenty-seven years or more. The contributions to the class fund since organization amount to $47,000. A Mutual Benefit Association was organized in 1900 and has paid out $5,600 in benefits. Mr. Hubbard is president and treasurer of Hubbard, Eldredge & Miller, chair manufacturers.

KANDELOROS COMPETITION

The President of the National and Capodistrian University of Athens, Greece, has made the following announcement:

The subject decided upon for the Kandeloros Competition for the year 1920-1921 is "The Idea of the League of Nations Among the Greeks."

The contestants must investigate what the Greeks taught about a League of Nations, or an international confederation, the extent to which they applied this form of policy, and the influence exerted by Greece upon the moderns up to modern times.

The manuscripts, typewritten on one side of the paper, without corrections, must be transmitted to the office of the Rector of the University before September 10, 1921, with a sealed envelope bearing within the name of the writer, and outside a motto which shall also be found written on the manuscript.

The essays submitted in the competition must be original and unpublished. They must be scientifically authenticated by reference to sources, and must be written in the official recognized Greek language.

Foreign scholars are also eligible to compete and must submit their work also in a Greek translation.

To the writer of the winning essay shall be awarded a prize of 4,000 drachmas.

The prize may be divided, but the best of the essays shall in any case receive at least 2,000 drachmas.

The writers of the winning essays must publish these within a year of the award. Otherwise the donor of the prize reserves to himself the right to publish these in a series of publications which he intends to initiate.

—Incomplete registration figures from Columbia University indicate that its enrollment this year will exceed 31,000, a gain of over 35 per cent over last year. Columbia will then be the largest educational institution in the world. The enrollment at the past summer session was over 10,000, the largest in the history of the university.

—A fund of $1000,000 for a new stadium at Ohio State University has just been raised. This structure is to be the largest of its kind in the country. It is to have a seating capacity of 63,000 people. It will be open at one end to allow room for the construction of temporary stands which will make the available seating capacity 83,000.

—That university training is highly regarded in Japan is evidenced by the fact that the government schools of college grade have for the past few years been unable to accept more than two-thirds of the applicants.

BASKETBALL SEASON OPENS MONDAY

Interclass Games Expected to Furnish Good Material for Varsity Squad —Winning Class to be Awarded a Trophy.

THREE TEAMS FOR EACH CLASS

Basketball practice starts the Monday after the Union game and, as was done last year, a series of interclass games will be held first. This will give Coach Ziel an opportunity to look over all the basketball material in college and at the close of the series he will pick a varsity squad. It is hoped that there will be enough men to have each class represented by three teams.

CAPTAIN COWAN, '21

Every game will have the same value, whether it is a third team game or a first team game, and the class having the highest percentage will be awarded a trophy, probably a banner. When a man has played on a second team, he will not be allowed to play on a third team and a first team player will not be allowed to play on a second team. A player may move up from a lower team to a higher team, however.

The first week after the Union game will be devoted to practice for the various class teams and the games will begin Monday, November 29. Inasmuch as three games are scheduled for every afternoon, it will be necessary that the games begin promptly at the scheduled time and if a team is late in appearing on the floor that game will be awarded to the team having the most men on the floor.

The schedule for practice and for the games is as follows:

Practice

1921—Monday (Nov. 22) afternoon and Friday (Nov. 26) evening.
1922—Tuesday (Nov. 23) afternoon and Monday (Nov. 22) evening.
1923—Friday (Nov. 26) afternoon and Wednesday (Nov. 24) evening.
1924—Wednesday (Nov. 24) afternoon and Saturday (Nov. 27) afternoon.

Games

Monday (Nov. 29)—4:40, '22 vs. '24 (2nds); 4:52, '21 vs. '24 (3rds); 5:30, '21 vs. '23 (1sts).

Tuesday (Nov. 30)—4:40, '21 vs. '23 (2nds); 4:52, '22 vs. '23 (3rds); 5:30, '22 vs. '24 (1sts).

Wednesday (Dec. 1)—4:40, '22 vs. '23 (2nds); 4:52, '21 vs. '23 (3rds); 5:30, '21 vs. '24 (1sts).

Thursday (Dec. 2)—4:40, '21 vs. '24 (2nds); 4:52, '22 vs. '24 (3rds); 5:30, '22 vs. '23 (1sts).

Friday (Dec. 3)—4:40, '23 vs. '24 (2nds); 4:52, '21 vs. '22 (3rds); 5:30, '21 vs. '22 (1sts).

Saturday (Dec. 4)—2:00, '21 vs. '22 (2nds); 2:12, '23 vs. '24 (3rds); 2:45, '23 vs. '24 (1sts).

The second teams will play the first half of their game and then rest while the third teams play the first half of their game. The first team games will be played straight through with six minutes out between halves. The halves of each game will be 12 minutes.

COLGATE SOCCER TEAM DEFEATS BUFF AND BLUE, 2-0

A season of defeats, which may result in a better team next year, is the summary of the schedule of the Buff and Blue Soccer Team. This year is the first that Hamilton has had a team in this branch of athletics and the team has made a good showing against the teams encountered. Only a few of the men had had previous experience in the game and were handicapped in learning the rudiments by lack of coaching during the early part of the season.

The final game against Colgate Saturday on Steuben Field resulted in a victory for the Maroon, 2 to 0. The field was covered with a slippery coating of snow, and the final period of the game was played in almost total darkness.

In the first half, the two teams were evenly matched, with a slight advantage for the Buff and Blue. Hamilton carried the ball within a few feet of the opposing team's goal many times but lacked the power to kick the goal. Colgate's chances at scoring were often thwarted by Hamilton's backfield.

Both of the Maroon's scores were made in the final half of the game. Bunching of the Colgate forward line about the ball aided materially in blocking the Hamilton backs from gaining possession of the ball, and it was carried through by weight of numbers.

The line-up was as follows:

HAMILTON (0).	COLGATE (2).
Nichols, ol.	DeLessio, ol.
Moore, il.	McCormick, il.
Bartlett, c.	Farnham, c.
Hallock, ir.	Gamble, ir.
Brownell, or.	Mallory,or.
Forshay, lhb.	Karkins, lhb.
Heffron, chb.	Miller, chb.
Keehn, rhb.	Jube, rhb.
Palmer, lfb.	Bodell, lfb.
Wettel, rfb.	Beebe, rfb.
Keane, goal.	Couper, goal.

Goals—Farnham, McCormick. Referee—Coyne of Clark Mills. Time of halves, 20 minutes.

NOTICE TO UNDERCLASSMEN

The Upperclassman Discipline Committee has adopted the following rules regulating the banquets of the two lower classes for this year:

1. The season for underclass banquets is from November 22 to December 1, excluding Thanksgiving Day.

2. Banquets may be held only between the hours of 4:30 p. m. and 8 a. m.

3. Banquets must be held in towns within a 35 mile radius of Clinton or in Little Falls.

4. No men shall be tied so that they miss classes.

5. No banquet rows shall be held in hotels.

INSTRUMENTAL CLUB

The Instrumental Club has started its reheharsals in preparation for the winter season. Leader Pritchett, '12, is carefully coaching the men, and hopes to produce one of the best clubs Hamilton has ever had. This year, drums will be added to the Club's orchestra. The men on the Club have worked well together and have shown considerable ability in playing the music which will be rendered by the Club.

Paton, Moffat, Pope, and Burns compose the quartet. The new songs which are being learned by the quartet promise to become some of the most popular numbers on the program this winter.

As yet, the trips of the Musical Clubs have not been definitely arranged. Manager Barron, '21, is busy completing the schedule and hopes to arrange an engagement for the Clubs in Chicago.

GOLF CAGE IN GYM

An indoor golf driving cage has been installed in the gymnasium to provide a means for the golf enthusiasts of the college to keep in practice during the winter months. The cage has been put up in the old swimming pool. A tee has been erected in the lower part and a canvas has been dropped from the ceiling near the opposite wall. The drivers will be able to make a powerful swing and have the ball drop easily from the canvas, rolling down the floor to the tee.

This year has seen a great many men playing golf on the Hill. Although as yet unimportant in Hamilton, golf is fast becoming an important sport in many colleges. Most of the larger colleges have their golf teams, and with the promise of a new course, it should not be long before Hamilton will have representatives in this sport. Golf driving was included in the events of the Autumn Field Day, and a number of players competed.

1922 HAMILTONIAN TO BE OUT MAY 1

Manager Martin, '22, Expects to Have Annual on the Hill by Sub-freshman Day.

TO CONTAIN MANY FEATURES

According to the present plans of the Board, this year's Hamiltonian is to surpass the year book of any previous class. Radical changes from former years have been made throughout to make a bigger and better book.

The cover is to be of Kowite leather. The pages will be three-fourths of an inch longer and of the same width as those of last year's book, with a specially designed border. The fraternities are to have group pictures, a custom which is prevalent in most colleges. The pictures of the various crowds were taken Sunday afternoon in the College Library by Nix of Utica.

A humorous section of twenty pages has been added to the list of departments. Short scurfs, one-act plays, and free verse will be included. The Board especially desires good stunt pictures, campus views, and pictures of games. All material should be submitted to any member of the Board. Cartoons are especially desired.

For the past month the Board has been collecting material for the publication. Much of the work will be done by Thanksgiving and most of the material will be assembled by Christmas. All copy, proofs, etc., will go to press March 1, and the book will appear May 1.

Subscriptions are being taken this year for a college calendar. The price of the calendar is $1.50, and it will be published some time before Christmas and sold by Manager Martin of the 1922 Hamiltonian. The calendar will be attractively bound in imitation leather and will contain many attractive views of the College.

—The program for Dartmouth's tenth annual Winter Carnival, which will take place February 10 to 12, has been announced. The carnival is expected to be larger than ever before, the growing interest among the people outside the college accounting for this fact. On Thursday evening, February 10, the affair will open with outdoor sports in which the guests will participate. The Dartmouth Players' production will be staged later in the evening. The "Carnival Ball," the great social event of the week-end, will be held Friday evening, February 11. The Musical Clubs will also perform and there will be an intercollegiate debate to fill up the rest of the time. Skiing and sledding will be the primary outdoor sports, while a hockey game, a swimming meet in the new swimming pool, and an intercollegiate league basketball game will also be played.
